Biserica – actor comunitar
The Church – Communitary Actor

Abstract:

The ecclesiastical activities having a charity purpose have been always done during all historical periods as constant spheres of activity of all Christian churches, they all tried to help those people in need (orphans, widows, person unable to work). So we may say that since the oldest times up to now, the Church has been the most important communitary actor, which can and has to get involved in the social life of the community.
