## **Predarea economiei sociologice / The Teaching Of Economic Sociology**

**Abstract:**

The paper is focused on teaching and assessing students within Economic Sociology discipline. In the first part of the article I present the theoretical framework of the research debating the Sociological Higher Education 's problems and the relation between teaching and research. In the second part I analyze the outcomes of two focus group interviews done with BA students and graduates from the department of Sociology who attended courses and seminars of Economic Sociology.
