

**Șișeștean, G.**

**Românii din Hajdu-Bihar (Ungaria). Populație, istorie și  
confesiune /  
The Romanians from Hajdu-Bihar (Hungary). Population,  
history, confession**

**Abstract:**

Using the Hungarian censuses, but also the information collected there, the present article catches a glimpse on the analysis of the demographic evolution of the Romanian population from the Hajdu-Bihar county (Hungary), county situated in the neighborhood of the Romanian-Hungarian borders. On the other hand, there is information regarding the history of the rural Romanian communities from the studied area, but also their confessional characteristics. There are also remarked herein multiple identity mutations which emerged along time within this population.
