**Vârstnicii-grup cu risc de excluziune socială-în atenția
administrației sociale comunitare din Oradea /
The Elderly – a Group with Risk of Social Exclusion in the
Attention of the Social Community Administration Oradea**

Abstract:

This paper aims at realizing a brief presentation of the present situation of the elderly from Oradea city and of the social policies developed by Social Community Administration Oradea in this area. The most consistent part of the paper refers to the results of the research realized within the Multifunctional Social Centres for the Elderly.
